G R O U N D S -

- I. For that the duty and responsibility vested upon the respondents to serve the people and initiate lawful steps and they are also duty bound to obey the provisions of law. But the respondents have failed to perform the duties and responsibility as vested upon them and by way of violating the provision of law the earth filling/encroaching is continuing within the

Canal of the Country, which is illegal. Hence direction may be given upon the respondents to stop encroachment and earth filling within the Canal of the Country and to protect all Canal of the Country to its original territory as per R.S/B.S. record.

- II. For that disregard to laws and legal provisions and failure to ensure proper implementation of laws the respondents have caused enough damage to the environment and the local peoples are adversely affecting to the right to life. Under these circumstances the respondents are legally bound to protect the Canal of the Country in accordance with law.
- III. For that under Section 5 of the *gnibMlx, wefMlx kni I tRjv kni i tcSi GjvKmn t`#ki mKj tcSi GjvKvi tLjvi gW DbKj`vb, D`vb Ges cKuzK Rjvavi msi qIb AvBb, 2000*, also prohibits change of the nature of any land that has been earmarked as a natural reservoir. As per section 8 of the Act 2000 any person who acts in contravention of the Act is liable to imprisonment not exceeding 5 years or a fine not exceeding Taka 50,000 or both. In spite of that provision of law the respondents are not taking any steps in case of killing of Canal of the Country. Hence a direction may be given to stop earth filling/encroachment within the Canal of the Country and to protect all Canal of the Country to its original territory as per R.S/B.S. record.

Wherefore, it is most humbly prayed that your Lordships would graciously be pleased to :-

a) Issue a Rule Nisi calling upon the Respondents to show cause as to why inaction/failure of the respondents to take effective steps to protect all the Canal of the Country from earth filling and encroachment, should not be declared illegal and without lawful authority and why a direction should not be given upon the respondents to stop earth filling and illegal encroachment within the Canal of the Country,

AND

Why a direction should not be given upon the respondents to protect all Canal of the Country to its original territory as per R.S/B.S. record

b) Pending hearing of the rule direct the respondents to issue a direction to all the Deputy commissioner and Police Super of the District level within 7 days to take temporary measures for protection of the Canal situated within each area and submit a compliance report within two weeks before this court.
