IN THE MATTER OF:

Illegal encroachment of the land of Brahmanchiron Graveyard, Dholpur, Dhaka and illegal construction of 2 (two) multi-storeyed buildings,

rickshaw garage and one under construction multi-storeyed building within the said graveyard by destroying hundreds of graves.

GROUND S:

I. For that the article 24 of the constitution of Bangladesh has provided a provision that “the state shall adopt measures for the protection against disfigurement, damage, removal of all monuments, objects or places of special artistic or historic importance or interest. Hence the inaction by the respondent and illegal encroachment of the land of graveyard and constructions constructed within the said graveyard by the land grabbers and other influential persons may be declared illegal and without lawful authority.

II. For that the duties and responsibilities vested upon the law-enforcing agencies to protect the religious places such as Mosques and Graveyards. The respondents are also duty bound to respect the religious aspects of the citizens. But they have failed to perform their duties and responsibilities as per the law.

III. For that the steps taken by the land grabbers and some other influential persons for construction of multi-storeyed buildings and rickshaw garage at the behest of the authority in power. As a result the respondents did not act as per rule of law and ignoring the religious aspect, so it is liable to be declared illegal and void.

IV. For that the respondents took the steps in a mechanical manner to construct multi-storeyed buildings and rickshaw garage in the land of graveyard, without proper application of mind and is nothing but a colorable exercise of power and corruption under the influence of influential personnel and business men and thus is illegal and without any lawful authority.

V. For that the construction of multi-storeyed buildings and rickshaw garage on the land which is used as a graveyard and demarcated by Dhaka City Corporation for a long time. By way of demolishing about hundreds permanent and temporary graves, some influential persons constructed multi-storeyed buildings and rickshaw garage on the concern land of Brahmanchiron Graveyard situated in Dholpur, Sutrapur, Dhaka is not only illegal but also malafide.

Wherefore it is most humbly prayed that your Lordships would graciously be pleased to -

given upon the respondents to protect and maintain the Brahmanchiron Graveyard as per the plan of the Dhaka City corporation..
