The Rule was issued on an incident reported to this Court by which a Head Master of a school was humiliated and insulted in public by a local person. Upon which an FIR was lodged against the said person and others and a specific case was initiated but the accused could not be traced out or arrested, at that stage this Court directed the Inspector General of Police, the Superintendent of Police Barishal, and others to produce that accused person before this Court. Accordingly, after taking some time the accused person namely Liton Panday was arrested by the police from near the border and was produced before this Court. Thereafter Liton Panday was produced before the court of Magistrate where the criminal case against him was pending. After investigation the police submitted charge sheet against the accused and others in non GR Case No. 55 of 2012 (Ujirpur) under sections 500/506 of the Penal Code. The said case has been heard and disposed of by judgment and order of conviction and sentence dated 3.10.2013 against the accused Liton Panday and his associates who are undergoing their sentences. As such there is no necessity of proceeding with this Rule any further since the criminal case has already been concluded with the conviction and sentence, the Rule should be disposed of with observation that the police should take adequate and immediate step in matters of such nature as and when they are informed by the public so that all persons of any repute get adequate protection from the law enforcing agencies and does not become subject matter of such humiliation and insult.

With this observations this Rule is disposed of without any order as to cost.
